

ONLINE SEMINARY CLASSES FOR MVsers!

AMBS offers something unique.

Anabaptist Mennonite Biblical Seminary is a learning community with an Anabaptist vision, educating followers of Jesus Christ to be leaders for God’s reconciling mission in the world. Through our graduate-level programs and continuing education offerings, you can develop skills to respond to needs in the world today and tomorrow; nurture your faith and spiritual formation; and be mentored by our experienced faculty.

Seminary is a wonderful place to strengthen the biblical and theological foundation for your work as you learn with and from people from around the world. Our students like that seminary gives them opportunities to reflect on the work they’re doing and apply what they’re learning for the good of the church and their communities.

We’d like you to get a taste!

We appreciate the ways you’re already joining in God’s work in the world, and we’d love for you to be part of our learning community at AMBS, so we’re **offering a discount** on a course to Mennonite Voluntary Service participants — our way of saying *Thanks for volunteering!* and *Come try seminary!* Coupled with a generous contribution from Mennonite Mission Network, this opportunity is an amazing value. Take a course as a way to learn with your housemates or on your own!
