Tuition Waiver Application

For Goshen College
employees and spouses

Please submit this form to the AMBS Financial Aid Office one week prior to the first day of class.

Full-time Goshen (Indiana) College employees and their spouses can take up to six hours of coursework (credit or audit) per academic year at AMBS with a 100-percent tuition discount. Part-time Goshen College employees (50–99 percent) and their spouses can receive a tuition discount for the same percentage that they are employed by GC. Employees working less than 50 percent are not eligible.

This benefit begins with the second year of employment. The GC employee is responsible to pay the Student Services Fee and any other fees above tuition. Note: Auditing a class is dependent on the professor's permission.

This discount does not apply to AMBS's Doctor of Ministry in Leadership program or to courses taken for independent study.

Use the "Guest registration form" at ambs.edu/tuition-waiver-applications and submit this completed form to AMBS's Financial Aid Office (financialaid@ambs.edu).
