Tuition Waiver Application

For Bethany Christian Schools employees and spouses

Please submit this form to the AMBS Financial Aid Office one week prior to the first day of class.

AMBS grants current full-time employees of Bethany Christian Schools, Goshen, Indiana, and their spouses, **one free graduate-level course** (regardless of credit hours) **and a second course at a 50-percent discount** — whether or not they've taken courses at AMBS in the past. Current part-time Bethany employees and their spouses are eligible for a pro-rated portion of this discount.

This benefit begins with the second year of employment. The Bethany employee is responsible to pay the Student Services Fee and any other fees above tuition.

This discount does not apply to courses in AMBS's Doctor of Ministry in Leadership program or to courses taken for audit or independent study.

After taking two courses, if the employee or spouse wishes to continue studying, they can apply for admission to AMBS and apply for regular need-based financial aid and scholarships.

Use the "Guest registration form" at ambs.edu/tuition-waiver-applications and submit this completed form to AMBS's Financial Aid Office (financialaid@ambs.edu).
